Thank You for supporting the SEA Spring Fling!

Dear SEA Students and Families,

We need your help! Please join us in showing our appreciation for the SEA Teachers and Staff by taking a few minutes to participate in our WAY Committee project during the March Parent/Teacher Conferences in the next 2 weeks.

We are inviting each student and parent to show their appreciation for our special SEA Teachers and Staff members by writing a short note of thanks.

During the three Parent/Teacher Conference days we will have two convenient locations set up to write your notes - one table in the Media Center and one in the Kin lab.

The WAY Committee will provide the special cards to write on and pens to use at that time.

We will have staff lists available at the tables. Prepare your thoughts now. Think of the people in the building for whom you are grateful, whether they are teachers, specialists, or staff members. You don't need to write an essay, just a sentence or two will do, as the cards are about the size of a 2" post it note!

The Thank You cards will be collected and used for a special surprise project during Teacher Appreciation Week in May.

If you have any questions, please reach out! You can contact us at SEAParentTeacher@gmail.com

Thank you in advance for your help!

Gratefully,
The SEA WAY Committee (We Appreciate You)
