Next Meeting: Tuesday, April 11, 2017

FREE Childcare Provided

3/9/17

Dear 4th and 5th graders and families,

This year for Night of the Arts we will be having a recital for our performing artists. We are inviting our 4th and 5th grade musicians to take part in this recital. Students will perform their piece at multiple locations throughout the building, ending with a final performance in the cafeteria. If students are interested and available to perform their instrument at the Night of the Arts, then they need to see Ms. Spreeman Monday 3/20, Tuesday 3/21, or Wednesday 3/22 before school starts to play their piece. Music should be rehearsed and polished prior to coming to play for Ms. Spreeman. If their song is performance-ready, then we can schedule a time for their performance in the recital. The time commitment will be no more than 10 minutes of the event. As a reminder, Night of the Arts is Monday April 10th from 5:30-7:30PM.

If you have any questions, please email me!

Sincerely,

Melissa Spreeman
Music Teacher: SEA and FAIR
