

SEA Student Council is happy to announce two upcoming SEA Spirit Days...

Friday, December 11th will be Pajama Day. With December having the shortest amount of daylight for the year, why wouldn't we wear our P.J.s all day long?? Please make sure that pajamas are clean and warm. Please wear shoes too so that recess and other activities can still happen. Please no stuffed animals.

Friday, December 18th will be Star Wars Day. With the much anticipated arrival of the new Star Wars movie, SEA Student Council felt it super important to celebrate with Star Wars Day! Students can dress to represent the different Star Wars characters or simply just wear their favorite apparel with Star Wars on it. Please no face masks, face paint or weapons of any kind (including light sabers).

All spirit days are optional as they are just a fun opportunity to create community.
